### EUROGROUP LAMINATIONS ACQUIRES THE STATUS OF “SME”

**Baranzate (MI), January 17, 2024** – EuroGroup Laminations S.p.A. (“**EuroGroup Laminations**” or the “**Company**”) announces that pursuant to Article 2-ter of the regulation adopted by Consob resolution No. 11971 of May 14, 1999 (“**Issuers’ Regulation**”), it has acquired the status of “SME” (Small and Medium Enterprise) pursuant to Article 1, paragraph 1, letter w-quater.1) of Legislative Decree No. 58 of 24 February 1998 (“**TUF**”).

Following the listing on February 10, 2023, and for the entire duration of 2023, the Company did not qualify as an “SME”, in accordance with the capitalisation calculation criteria for listed companies.

By applying the criterion of the simple average of the daily capitalisations calculated with reference to the official market price, recorded during 2023, the Company qualifies as an “SME” within the meaning of Article 1, paragraph 1, letter w-quater.1) of the TUF, since the capitalisation thus calculated, taking into account only listed ordinary shares, is below the threshold of EUR 500 million.

Consequently, pursuant to Article 120 of the TUF, for disclosure obligations of relevant shareholdings a threshold of 5% instead of 3% is now applicable.
